Auditor's Report

To the Public Guardian and Trustee for the Province of Ontario
and to the Attorney General

I have audited the balance sheet of The Public Guardian and Trustee for the Province of Ontario as at March 31, 2007 and the statements of revenue and expenses, changes in fund balances and cash flows for the estates and trusts and the administration fund for the year then ended. These financial statements are the responsibility of The Public Guardian and Trustee's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of The Public Guardian and Trustee for the Province of Ontario as at March 31, 2007, the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
