Please Note:

1. Offence groups and types are based on Canadian Centre for Justice Statistics offence type categories.
2. Care should be used when interpreting the charge-based information provided on this website. This data does not reflect crime rates or incidents within a particular community. These statistics include cases where more than one charge is laid against the same person as a result of a single incident, as well as cases where several individuals are charged as a result of a single incident.
3. "Federal Statutes, Youth Criminal Justice Act" offences include charges laid under sections 136, 137, 138 and 139 (e.g. failure to comply and publication of offender identity).
4. The days to disposition in this column do not include bench warrant days. Bench warrant days are counted from the date of the appearance where the accused failed to appear and a bench warrant was issued, to the first date the charge is brought back to court. This removes from the statistics the days where the charge cannot proceed for some time because the accused is unaccounted for.
5. The total number of charges received and disposed does not include a small number of charges that could not be classified into an offence category. For the total number of charges received and disposed please consult the Court Services Division Annual Report.

Please Note:

1. Offence groups and types are based on Canadian Centre for Justice Statistics offence type categories.
2. Care should be used when interpreting the charge-based information provided on this website. This data does not reflect crime rates or incidents within a particular community. These statistics include cases where more than one charge is laid against the same person as a result of a single incident, as well as cases where several individuals are charged as a result of a single incident.
3. "Federal Statutes, Youth Criminal Justice Act" offences include charges laid under sections 136, 137, 138 and 139 (e.g. failure to comply and publication of offender identity).
4. The days to disposition in this column do not include bench warrant days. Bench warrant days are counted from the date of the appearance where the accused failed to appear and a bench warrant was issued, to the first date the charge is brought back to court. This removes from the statistics the days where the charge cannot proceed for some time because the accused is unaccounted for.
5. The total number of charges received and disposed does not include a small number of charges that could not be classified into an offence category. For the total number of charges received and disposed please consult the Court Services Division Annual Report.
