Dear Ms. Rothstein:

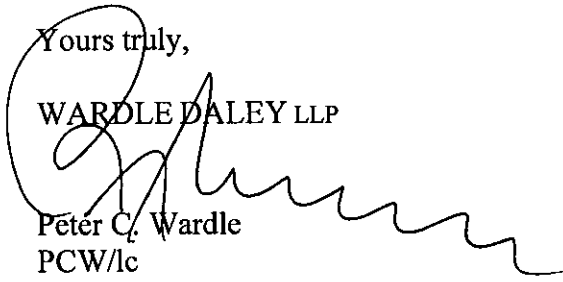

**Re: Inquiry into Pediatric Forensic Pathology in Ontario
Application for Standing and Funding – Affected Families Group**

I enclose an Application for Standing and Funding pursuant to the Commission's rules on behalf of our clients the members of the Affected Families Group.

As is noted in the body of the Application materials, we have included as an appendix a list of the names of all of the members of the Group. However, some members of the Group are concerned that the media not have access to their home addresses and telephone numbers. As a result, this information will be sent to you separately, on the expectation that it will not be posted for public dissemination.

Yours truly,

WARDLE DALEY LLP
